

Village of Arthur
Leaf, Limb, and Landscape Removal Policy
(Effective May 1, 2025)

The policy for leaf, limb, and landscape removal by the Village of Arthur shall be year-round, weather permitting.

All curbside pick-ups will be on the 1st and 3rd Tuesdays of the month, weather permitting.

Village of Arthur employees will be picking up small limbs and branches curbside. Please do not leave yard waste out in the street. Limbs must be the size that one person can easily handle and nothing can be larger than 15" in diameter. **The Village will pick up grass clippings curbside if properly bagged.**

Other landscape waste such as evergreen clippings, small sticks, leaves, sweet gum balls, etc. will also be picked up. These items must be placed in paper bags designed for yard waste and left curbside for removal by Village personnel. These bags are available for a reasonable price at local stores and elsewhere. **No plastic bags will be permitted.**

You may also take your landscape waste to a collection site at the southernmost end of Spruce Street. All landscape waste must be deposited on the concrete pad provided. Nothing larger than 15" in diameter will be accepted at this site. **Grass clippings are accepted at this collection site.**

This service is provided for residents of the Village of Arthur only.

If you have any questions, please call the Village Office at 543-2927 Monday-Friday, 7:30 AM – 3:30 PM.
