9:00 AM @ COMMUNITY BUILDING

Call to Order 9:01 AM

Roll Call - Rod Randall, Jenni Marner, Grant Corum.

Matt Bernius joined at 9:21 AM.

Public Comment – None

New Business

1. Discussion on Budget Considerations for FY 2021-2022

Discussion was led by Grant C. and he presented a map of chip & oil plans for the summer of 2021. Matt B. suggested adding the 400 block of Logan St. to the plan. Detailed areas for concrete street and alley repairs were discussed with the committee.

Grant C. informed the committee that CSI is currently working on an estimate for a portion of 100E at Route 133 (east of CHI). Matt B. asked Grant C. to make contact with the IDOT regional office in Paris to discuss the project and to inquire about a direct contact for the Village on this project. It was also mentioned that we should talk to CHI about the project after we have an engineer estimate.

The sidewalk survey being performed by Coles County Regional planning was discussed, as well. Grant C. reported that he had reviewed the survey and felt like it was about two-thirds complete. Grant C. recommended starting with red (high risk) areas around the schools for sidewalk replacement. The Safe Routes to School program via IDOT was discussed and Jenni M. informed the group that it is currently postponed until the fall of 2021.

In addition, a few small drainage projects were discussed, as well as, the 50/50 purchase (water/sewer & general fund) of a new 1 ton truck for the Public Works Department.

General Discussion - None

Adjourned 9:42 AM

A handwritten signature in black ink, appearing to be "Grant C.", written over a horizontal line.
